School Pond Update

As you already know, we are now the proud owners of 15 beautiful goldfish, kindly donated by John and Mary. A very special thank you also goes to Mrs Cameron, who kindly transported our new fishy friends and helped us safely introduce them to their new home. The children have been absolutely fascinated watching the goldfish explore the pond, swimming happily around their new surroundings. We are keeping our fingers crossed that they settle in well and enjoy their new home!

Break the Rules Day 2026

What a fun and exciting day we had! A huge thank you to everyone who donated and, of course, to all the children who came to school ready to break all the rules!

We had an amazing time, and thanks to your incredible support, we raised a fantastic £509! We are hoping to put this money towards repairing and improving our outdoor play equipment, and starting our new fund raiser which will be put towards our exciting goal of installing some monkey bars next year!

HELP!

Our outdoor stage is currently broken due to rotten and damaged decking. If anyone can help fix this, please contact the school office. Thank you!

Wet Weather Reminder!

As the weather begins to change, please ensure that all children come to school prepared for wet and muddy days. Children should have wet-weather gear in school, including puddle suits, waterproof jackets and trousers, and wellington boots. We also ask that every child has a spare set of school clothes, including socks and tights where appropriate. This will ensure that the children can continue to enjoy outdoor play and explore whatever the weather, while staying warm, dry and comfortable.

Thank you for your continued support!

Play Leaders 2026-2027

We are incredibly proud to introduce our new Play Leaders for the next academic year! These children have been chosen to take on an important role in our school, helping to organise playground activities, encourage others to get involved and make playtimes fun and inclusive for everyone.

A huge congratulations to our new Play Leaders:

Year 6: Eliza and Alice
Year 5: Mila and Luna
Year 4: Frazer and Rocco
Year 3: Gus and Raife

We are sure they will be fantastic role models and will bring lots of energy, enthusiasm and fun to the playground. Well done to all of you – we can't wait to see you in action!

New Playground Equipment

A huge thank you to all the children who took part in the **Active Lives Survey**, and to our Year 1 parents who took the time to complete the survey online. Thanks to your fantastic participation, we successfully raised £100, which has now been spent on some exciting new playground equipment! The children can look forward to enjoying a giant Snakes and Ladders game, foam frisbees, skipping ropes and some fun, odd-shaped balls. We can't wait to see the children putting their new equipment to good use and having lots of fun while staying active!
