Friday, 7th November 2025

### Children in Need

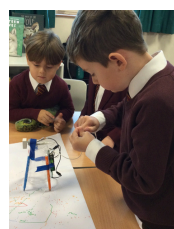

Next Friday, 14th November 2025, is Children in Need day.

Along with the rest of the UK, we will be using this day to raise money and shine a light on the important work that this charity does in improving the lives of children in our local, regional and national community.

In order to fundraise, children are invited to come into school wearing something yellow or spotty, just like Pudsey, for a suggested donation of £1. Just bear in mind that children in Year 1 and 2 will still need to be able to do PE that day.

This year's theme for fundraising is "Challenge Yourself to 25". We will be doing some activities in class linked to this theme, and we would love to hear if any families are taking on this challenge; your child would then be invited to share it with us either in class or in assembly.

Donations will be made through our JustGiving Page.

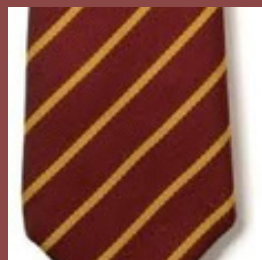

### Science Extravaganza!

On Friday, 17<sup>th</sup> October, Year 2 spent the day at St Peter's-in - Thanet Junior School, having a fantastic time exploring and experimenting with lots of other local school children. The day was led by a number of Science Leads from local Thanet Schools - including our own Mrs Jackson; all part of our commitment to finding and nurturing the talents and interests of our children...we have some brilliantly passionate budding scientists at Ramsgate Holy Trinity!

If we have any parents who work in the vast world of Science, and you would be interested in sharing a bit about your job with some of our children, please get in touch with us via the office.

### Reminder

We have all transitioned from our summer to winter uniform now. Please remember that ties with shirts are NOT optional.

### Parent Survey

It is important to regularly capture the voice of our whole community; children, parents, and staff. It would be very useful if you wouldn't mind taking the time to fill in the survey below.

<https://forms.gle/Z1U1X9voApi4xFKK9>

### Important Dates

**14<sup>th</sup> November** Children In Need

**5<sup>th</sup> December** Christmas Fayre

**9<sup>th</sup> December** Carol Concert (Y3-6) 2pm & 6pm

**10<sup>th</sup> December** Christmas Lunch & Jumper Day

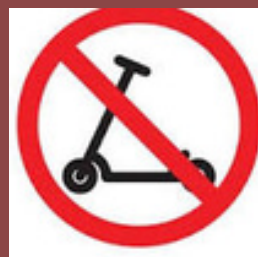

**17<sup>th</sup> and 18<sup>th</sup> December** Nativity (YR-Y2) 2pm

**19<sup>th</sup> December** End of Term 1.30pm

### Reminder

Please DO NOT allow your children to use any of the play equipment before or after school. The children know that all OPAL and play equipment is STRICTLY off limits outside of designated times.

# RAMSGATE HOLY TRINITY CE PRIMARY SCHOOL

Black History Month is celebrated every year in the United Kingdom throughout October. It's a special time to recognise and honour the history, achievements, and contributions of Black people to British society and in communities across the world.

Here at Ramsgate Holy Trinity, we celebrate Black history throughout the year, but during the autumn terms, we take time to think about the origins and purpose of Black History Month, celebrating inspiring individuals and important stories that link to our learning across the curriculum.

Over the next few weeks, we will share with you all the fabulous learning that has been taking place across the school. We begin with Year 1.

Linked to our topic of Memory Box and learning about old and new toys, the children in Year 1 were fascinated to discover the Super Soaker.

Exploring where it came from and who had invented it, the children enjoyed an exciting water play session on the school field, bringing

Lonnie Johnson's invention well and truly to life in the most fun and memorable way possible!

Lonnie Johnson is an African American inventor whose creativity and persistence led to the creation of one of the most popular toys today: 'The Super Soaker'.
