Your book report should include a summary of the plot and to whom you recommend this book and why.</i>
<b>Tuesday 30 June</b>	rainfall graph for the travel agent project sunshine hours for your travel agent project <b>resource:</b> <b>Island weather graphs pp. 12 - 16</b>	<b>Reading comprehension 14</b> 14a is the text 14b easiest questions; 14d the hardest to answer		
<b>Wednesday 1 July</b>	If you didn't manage to do both graphs yesterday, finish them today.  Then write a recommendation when to travel to your island and why then.  <b>resource:</b> <b>Island weather graphs pp. 17ff.</b>	<b>research</b> What activities can you do on your island?  . Discuss how to make sure that you search the internet safely. If you are doing home learning, check with mum or dad about internet safety. . How can you find out about activities? Safest practice would be to go via a hotel or resort website or a big travel agent who specialises in trips to that island. You can also type into the search engine: tourist information *** (** stands for your island name). . Are there any videos online to watch from a travel programme? <b>If you get stuck today and you do home learning, send me a message via Showbie with your island name and I will send you hyperlinks.</b>	If you want to do extra, here are some other resources that were uploaded.  <b>Other activities</b>  Pick one of the art activities available on our website.  SPaG revision 3 activities	<b>SPELLINGS</b> temperature favourite accommodation whether weather soldier beginning tremendous jealous completion
<b>Thursday 2 July</b>	Find out about the currency for your island (the money they use) and do the money exchange rate maths activities. Follow the slides on <b>Currency conversion graphs pp. 1 – 8.</b> <b>resource: Thursday exchange rate practice and Thursday conversion graph Pound to Brazilian real</b>	Give advice what type of clothes to pack if you travel to your island and why. What other things do you recommend for your customer to pack (e.g. anything to do with diving; any medicines; do they need mosquito repellent; what kind of sun lotion; hiking boots) – but give a reason why they need to pack it.	What's the difference 1	
<b>Friday 3 July</b>	conversion graphs for the currency Follow the slides on <b>Currency conversion graphs pp. 9 - 12.</b>  If that's too hard, do the activities linked to exchange rates. <b>pdf Exchange-rate 2-ratios-investigation activity sheets</b>	<b>Start</b> putting a little tourist programme together.  What can tourists do on the island? Are there specific activities that are suitable for children?  Do not rush! There is more time next week and the following to produce an informative brochure about your island.
