

Home Learning Task Year 4

Week beginning 13 th July	Maths	English	Topic	Enjoy your reading book. 20+ minutes daily Please keep a reading record.
Monday	1) Use Times Tables Rock Stars or the times table pair game to practice your tables. 2) Complete the times table grid again and check if you were faster than last week. 3) Complete the “Number Review” worksheet and check your answers.	1) Ask an adult to test you on last week’s spellings and go over any, where you made mistakes. 2) Have a look at this week’s spelling list. Use a dictionary, or on-line dictionary https://www.collinsdictionary.com , to make sure you know the meaning of all the words. See if you can include all the words in a very short piece of story writing. As usual, make it a focus for practising your handwriting this week.	Topic – Locality Choose another activity from the “Thinker’s Key Term 6” choice.	
Tuesday	Complete the “Calculations” review worksheet before checking your answers.	Complete the Twinkl comprehension on “Deep Sea Explorers” . Select the level of difficulty from * to ***. Check your answers.	During the rest of the week, choose 2 activities from the choice given in P.E., R.E, Music or Art on the school’s Home Learning website.	Weekly Spellings Words ending with suffix ssion 1) admission 2) discussion 3) emission 4) mission 5) omission 6) permission 7) possession 8) session 9) expression
Wednesday		Writing Task Based on information from yesterday’s comprehension task,		

	Complete the “ Fractions ” review worksheet and check your answers.	imagine that you have been asked to nominate one of the 3 explorers for a new “Lifetime Achievement in Marine Exploration” award. Write a persuasive letter to an imaginary character – Professor Mark Reynolds – explaining who you would choose and why. You can include comments about why the other 2 are worthy contenders, but be quite clear why your candidate is the most deserving of the three.		10) profession (Optional others) 11) percussion 12) impression 13) succession 14) progression 15) intermission
Thursday	Complete the Mental Arithmetic maths sheet. Even though you are finding ways to make these calculations in your head, it would be really interesting to write down an explanation of the process you used to work out the answers, then think if this is the most effective method: is it the quickest and easiest way?	Grammar and Punctuation. For today’s English work, write a series of questions to test children’s knowledge of word classes, grammar (think about verb tenses and determiners like a/an) and punctuation at the end of Year 4. You may wish to word process these, to make tomorrow’s English work easier.		
Friday	Check your answer to last Friday’s Fun Challenge , then have a go at this week’s one called “ Initial Numbers “. This week, the answers are included below the question sheet.	Write an answer guide to the questions you set yesterday. If you word processed your work, you could add the answers using a different font colour.
