Show your answer

10 children predicted the winner of the race correctly.

Who won the race?

Explain how you know.

Show your answer

Alfie did a survey to find which soup was most popular.

The choices were:

- tomato
- chicken
- mushroom

A quarter of the children chose chicken soup.

Four times as many children chose tomato soup as chose mushroom soup.

Alfie makes a pie chart to show this information.

What angle should he use for the children who chose tomato soup?

This pie chart shows the lunch choices of year 6 children at a school.

28 children in year 6 have a school meal.

How many go home for lunch?
