

Tuesday Activity: Number bonds to 1000

In 7 minutes, how many number bonds can you complete?

You can either complete this verbally, with your mum or dad reading out each number sentence to you, or write it into your book.

For example: $\underline{850} + 150 = 1000$ $\underline{290} + 710 = 1000$

$_ + 150 = 1000$	$_ + 710 = 1000$	$_ + 320 = 1000$	$_ + 540 = 1000$	$_ + 920 = 1000$
