

	Maths	English or Topic	Transition	
Monday 8 June	<p>Arithmetic Paper 8</p> <p>You should complete it in 30 min. If you need longer, please finish what you can do. If you made a mistake, redo that question.</p>	<p>First task: English paper from the 1970s Enjoy. 30 min tops. Use a dictionary or search engine if you are stuck.</p> <p><i>A lot of your English activities will now be linked to Science or other subjects. We are starting with a topic on Evolution and Interdependence and Adaptation.</i></p> <p>Read the text The Theory of Evolution and answer the text level questions into your book in complete sentences.</p>	<p>With your <i>parents</i>, please do the Transition Activity this week.</p> <p>3 – KEY INFORMATION</p>	<p>Enjoy your reading book. 20+ minutes daily Please keep a reading record. Write a book report. Your book report should include a summary of the plot and to whom you recommend this book and why.</p>
Tuesday 9 June	<p>Tuesday 9 June FRACTIONS</p> <p>These are probing questions. Very often you can prove the answer by showing your calculation.</p>	<p>Read the text The Galapagos Islands. Take notes about the islands. You can use the Galapagos Islands writing frame to help you. You may want to use additional research. https://www.natgeokids.com/uk/discover/geography/countries/ng-kids-heads-to-the-galapagos-islands/ https://kids.kiddle.co/Gal%C3%A1pagos_Islands <i>And if anyone laughs about the name of two of the birds that live on the islands, then you you have to create a fact file about at least one of them!</i> https://www.bbc.co.uk/programmes/p02158xv</p>		<p>Weekly Spellings KS3 Library <i>This week, practise these on their own.</i> alphabetical anthology article author catalogue classification copyright dictionary encyclopaedia extract</p>
Wednes day 10 June	<p>HPT Arithmetic Paper 4a 15 min for this one</p> <p>Then: Wednesday Thursday Maths SHAPE Do questions 10 – 15.</p>	<p>Write your journal entry about the Galapagos Islands. It does not have to be one connected narrative. You can write a paragraph about some of the aspects on the island, in particular the ones you are interested in.</p> <p>Please send me a photo or your file in Showbie.</p>		
Thursday 11 June	<p>Wednesday Thursday Maths SHAPE Do questions 16 - 22.</p>	<p>1. Read Genetics. Take notes in your book.</p> <p>2. Read Artificial vs natural selection. Take notes. Then look at the Dog Breeds and Cross Breeds. Begin to look at characteristics of the parent dogs and what the offspring has inherited. Take notes on the parent breeds (appearance and behaviour). You could highlight which characteristics the cross breed has inherited.</p>		<p>fantasy genre glossary librarian magazine non-fiction novel photocopy publisher thesaurus</p>
Friday 12 June	<p>Formulae Questions Do as many as you can, up to 45 min.</p> <p>If you finish early, play the German Dice Game or Nice and Nasty.</p>	<p>Continue to look at the Dog Breeds and Cross Breeds.</p> <p>If you finished, there are additional reading materials at the bottom of the text Artificial vs natural selection.</p> <p>Other materials for note taking on the subject: https://www.bbc.co.uk/bitesize/topics/zvhhvcw Don't forget to practise your spellings and to read your reading book.</p>
